

June 14, 2011

Dear Families,

Tomorrow

Our last day of school will include going to Mass at 10:00 and an Awards Assembly at 11:00. School will be dismissed at 12:00. Before we go to Mass we will be having a morning snack break.

The report card envelope will be coming home. I think I misplaced a pile of these envelopes after sending home report cards for second trimester so many students have a new envelope. It will contain your child's report card and mastery checklists for third grade math and English skills.

What a great year! This group of students has truly radiated energy that has been full of compassion and a zest for life! I have been amazed at how, as a class, they have always been inclusive of everyone, never judging or holding grudges from past situations. They always seem to have each others' "backs."

Thank YOU as parents for your support, smiles, quick chats, and insight. I feel very fortunate to be a part of the class of 2016 as a parent. I look forward to seeing you at the pool; sporting events, Fred Meyer, Mick Kelly's, Place for Pets... you just won't be able to get away from me.

Lastly, I want to thank you for sharing your child. I truly do understand how it feels to send them off every morning- the worries, frustrations, joys, and memories. I have felt so honored that they have come from you to me. Your child has touched my heart and I look forward to watching them continue their years at St. Francis. I KNOW they will do great things for this school.

Have a wonderful, relaxing summer.

Love to all,
Heidi
