

Dear KB Families,

Here is the information you need to log in and enjoy Raz-Kids, a website featuring interactive e-books for children.

Website: [www.raz-kids.com](http://www.raz-kids.com)

Teacher username: nmchenrydirks

Student Password: \_\_\_\_\_

1. Log in to the Raz-Kids web page.
2. Choose and read the first book from your level by clicking on the book with an eye.
3. Choose and listen to the first book from your level by clicking on the book with an ear.
4. Choose and **read again** the first book from your level by clicking on the book with an eye.

\*\*\*You should now have read your book two times and listened to it one time.\*\*\*

5. Choose the book with the question mark **?** and take the quiz (no quiz at level AA).

### **IMPORTANT!!**

Parents, please do not read the quiz or help your child to read during their time taking the quiz. This does not help your child to utilize his/her progressing skills and does not foster a sense of confidence in using those skills.

7. Continue to read each book at your level.
8. Log out when you are finished for the day.

I will monitor your reading level as each step is accurately completed.
