Official Fair Rules:

1. The exhibits will be set on tables. The exhibit size should not be larger than 4 feet wide by 30 inches deep.
2. Wall space for posters, tape, tacks, etc..., is not available. Students should construct their exhibit so that wall space is not necessary. Exhibitors must provide their own tape, thumbtacks, staplers and any other necessary tools.
3. No live animals will be allowed at the fair. If your project involves a live animal, please provide pictures on your display and leave the animal at home.
4. No vertebrate animals can be hurt in any way.
5. Ingestion of any substances (drug, food, additive, vitamin, mineral, etc...) is not permitted.
6. No volcanoes or other projects that involve liquids that may spill on the floor.
7. No display lighting is permitted.
8. No running water is available.
9. No electricity is available.
10. Group projects are allowed.
11. Antenna lines and long leads cannot be used.
12. Each participant will receive one free ticket for the raffle drawing upon project check-in.
13. Entrants full name(s) and grade(s) must be clearly marked on the project.
14. Projects will be on display throughout the day for classes to look at. If your project contains something valuable or breakable— please include a picture and leave the item at home.
