MEET THE TEAM 2011

Scott & Joanie Dombrowski of DAD Creative (and of Jacob in 3rd grade & Ava in Kindergarten) are our in house graphic gurus! You will see their handiwork in just about all of our auction marketing: the logo, the PR posters, the invitations, the catalog, and even the thank you's...which makes us all very thankful we have them around! This artsy and organizational couple work well together in their own advertising & design company, and enjoy time with family...although every once in a while, they like to cut loose with good friends where you may just see Karaoke Queen Joanie belting out one of the weekly Top 40.
