The Meaning of...

LOLLAPALOOZA

It's not just a rock concert! The word "lollapalooza" dates from a late 19th/early 20th century American idiomatic phrase meaning "an extraordinary or unusual thing, person, or event; an exceptional example or instance".

St. Francis Spirit Auction 2011 is proud to be sponsored by

THE PROCUREMENT CHALLENGE BEGINS...

Summer is over, so the Challenge is BACK! Get your forms in for the Monthly Challenges so your student's classroom can reap the rewards of what you are obliged to do anyway: Procure!

Each St. Francis Family is obligated to procure a minimum of \$100.00 worth of item(s) to be included in the annual Spirit Auction. At the end of each month, we tally what is in, and reward the classroom with the highest number of procurement forms collected by the monthly deadline. In the past we have had Ice Cream Floats, Cupcakes, or Popcorn for the entire classroom, ending in January with the Grand Total Winner earning a Free Dress Day! **We are looking for someone to chair** this very fun and festive "party committee" that will figure out the treats and deliver them to the winning classrooms. You can get as creative as you'd like, just make it a simple and fun reward for the students! There is no better way to earn your fundraising hours...so let us know if you are interested by contacting Auction Chairs Jim & Mindy McClean at mindymacster@hotmail.com.
