## MEET THE TEAM 2011

**Rob & Luann Bachmann** may live in an old fashioned looking home, but rest assured, they keep up with the times as our Auction Techies! The Mix Masters of the Live Auction, this husband and wife team are super-computer savvy, and in charge of the A/V and Power Point during the Live, which will ensure bid cards will be raised high...they know how to "put on a Power Point"! They are also tackling the Dinner Prayer as well as their send off to St. Francis. Their son graduates this year, heading off to high school, and boy! as much as the school will miss him, the Auction Committee will miss his parents even more. Big Thanks to Rob and Luann for sitting up on stage every Live Auction and getting things done right time after time!

## ART & ORGANIZATIONAL: FINAL REQUEST!

We are still filling Procurement Parent and Classroom Art Project Parent Positions. We hate to keep begging each week, so this will be the final ask :) That being said, if we cannot find a parent to oversee the art projects, **there will be no project to bid on for that classroom**, so if you have the time, we have the class for you! It would be a shame to not have all the classes covered as the kids really enjoy creating the art and seeing the final project, but we cannot do it without your help! Time spent counts toward your

Fundraising & General Hours:

**Procurement Parents: 8A**

## ALL SCHOOL ART PROJECT

Special Thanks to **Erin Guanio** for undertaking our first-ever All School Art Project! She and her team will spend hours clicking their cameras away throughout the school year, taking hundreds of photos of our students. Through the miracle of Erin, her super software, & her savvy computer, these photos will be formed into a single image. You may remember her work from last year, when her classroom did the same with the photos forming the church? We look forward to this unique item everyone will want to win the bid on!

## WHAT ARE YOUR PLANS TO PROCURE?

Each St. Francis Family is responsible for procuring \$100 worth of items for the Spirit Auction, and if you miss the January 14th deadline, that number jumps to \$150! Sounds ominous, but is actually easier than you think. The Spirit Auction welcomes a wide variety of Live and Silent Auction Items, so get creative or get practical, but know it's all welcome here!

- Think of businesses you frequently support. Most times they are willing to give back if you just ask.
- Get creative! Get a gaggle of guys and gals together to put on a beachside hot dog roast, a catered dinner, group cooking lessons, ladies night out, spa night in!
- Got a cabin in Cabo? A hut in Hawaii? Travel talks...if you have a get-a-way that entices, add it to our auction item list!
- Goods are great, but so are services! House cleaning, lawn care, pet sitting, tutoring, music lessons and more! It's a treat to hire out those things on the Honey-Do list, and that makes these perfect for the Spirit Auction 2011!
