#### TOOTHBRUSH DRIVE FOR KENYA

This year, we are looking to create a strong bond with a sister school in Ndvaya, Kenya. Ndvaya Primary and Secondary schools' goal is to increase dental hygiene among their students, but to do this, they need our help. Therefore, as seventh graders we have asked our fellow students to help us collect dental supplies. We are looking to send items like toothbrushes, toothpaste (travel size), floss, etc. with Mrs. Hautala on her summer visit to Ndvaya. If you could send supplies with your student, it would be much appreciated. This drive is taking place now through the last day of school.

#### EDP STAFF NEEDED

Two EDP Supervisors are needed beginning September 1. Hours are 2:30-4:30 and 2:30-6pm for two to five days a week. These are paid positions. Please contact Mona Anderson at 206-241-5136 to apply or for more information. Your students attend for free when you are working.

### TUTORING, ORGANIZATIONAL HELP, AND STUDY SKILLS DEVELOPMENT

Summer break is just around the corner, and class will soon be over, but it is imperative not to fall behind in those crucial math, Spanish, and reading skills. I'm a tutor with nine years of experience working with first graders to seniors in college. Throughout the summer I will be offering individual and small group tutoring at the Burien library. I have attended St. Francis' meeting regarding summer reading expectations and have spoken with math and writing teachers at various grade levels to find out their expectations. I also work with students to develop study skills, test taking strategies, and note taking skill. For information on availability and rates, please e-mail me, Annemarie Poginy, at [apoginy@gmail.com](mailto:apoginy@gmail.com) or call (206) 351-8124.

### CAMPBELL'S LABELS FOR EDUCATION

With the end of the year just around the corner, it is time to clean out the drawers and get the rest of the Campbell's Labels for Education in so we can make a final deposit for the year. Please send them in your family envelope ASAP. Also make sure to keep clipping over the summer to turn in after school starts! Thank you!
