#### **THANK YOU**

Through rain and snow you always show! A HUGE THANK YOU to Lil Isernio, Jim Fursman, Linda King & Linda Pierce, who come to save lives before and after school. Having an adult helping with safety patrol allows our junior high school students to take on the responsibility of helping keep us safe out there. We appreciate you coming to greet our walkers with a smile when they are coming and going each day.

#### **WASHINGTON, D.C., WANNABE-TREKKERS!**

Just a reminder to send those registration forms into New Century Tours pronto! The bus is filling up; at present we have 41 students and parents signed on for the great adventure! If you've lost the registration form and are madly following the Waste Management Truck down the street – pull over! Additional forms will be available to you in the school office. If you bring Teri or Val a small bribe, they will probably be willing to give you a replacement. June Poginy
