### SUMMER READING PROGRAM

Attention all summer readers! Last spring, we invited several parents to a workshop focusing on summer reading loss. Parents were asked to encourage their child to read during the summer, and to keep a log of the books they had read. Now is the time for these students to turn in the reading logs they were given in June! In exchange, prizes will be awarded in recognition of their hard work and success over the summer! Please turn your reading logs into the school office by September 13th, and prizes will be given out soon after. Congratulations on a summer of awesome reading!
