SCRIP NEWS

The profit dollar reports that went home last week are only for scrip profit. Magazine and wrapping paper profit has not been tallied yet. Thank you!

 **Plan now for the holidays!** If you are planning to place big orders for Scrip for the holidays, it would be better if you ordered through the Friday envelope. That would ensure that we would have enough Scrip to fill your orders.

Also, if you belong to a company that buys gift cards for employees for Christmas, you may want to place their order through you, as you will then receive the profit!

THANK YOU!

Thank you to EVERYONE who volunteered to make this year's Harvest Festival a great success! A special thank you to Carrie Rasmussen, Claire Nichols, Ali Webb, John Bianchi, Kim Newton, Ryan & Serene Barrett, David & Gretchen DeMulling, Shawna Moore and Will Henricus for their extra time and efforts – it wouldn't have happened without you! Also, a GREAT BIG THANK YOU to Colleen Smith & Lisa Smith for their leadership!!!

HELP NEEDED

Hey, all you power tool types! Do you have a garage full of drills, hammers, saws, staplers and gorilla glue just waiting to be used? Have you attended plays around the area and said to yourself, "I coulda' made that set," or "I coulda' made a better set than that one,"? Do you have a desperate need to fulfill your commitment hours for old St. Frannie but don't want to do it serving tea and cookies??? Have we got a deal for you! We'd like to plan, build and paint the set for our play, *Aladdin*, more than 24 hours prior to show time this year. If you're interested in helping us, please contact June Poginy at JPoginy@stfoa.org. We are planning big, glitzy Aladdinish type sets and need to get our ducks in a row early – preferably having a plan, people to do it, and space to do it before Christmas. If you're good with power tools, know how to build, or can follow directions or plans, please, please give us a call or send us an e-mail. We look forward to hammering, sawing, nailing and painting with you.

Do you want to lend a helping hand to students??? Come join Ms. Lowe in carpool in the mornings. You would be able to count ½ hour each day you work, 8:15 to 8:45.
